

Preparing for Emergencies

We'll discuss the difference between emergencies and abnormal situations. We'll look at a few scenarios and discuss how to preplan our actions for safer outcomes for both emergency and abnormal situations. Interactive discussion and participation by attendees is encouraged.

Directions: Basement level on left side of building.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
